

## Star Wars: Republic (2002-2006) #73

Information obtained from the captured renegade Jedi Quinlan Vos could be vitally important to a Republic victory in the Clone Wars or it could be a setup for a massive ambush. Jedi spy-master Tholme decides to send his best agent, Aayla Secura, to the Outer Rim worlds in hopes of verifying Vos story. But if following the information could be dangerous for an entire Republic fleet, how safe can it possibly be for a single Jedi?
