

## Too Many Stinky Relatives (Stinky Stories Book 42)

Its Tough to Relate to Too Many Relatives Stinkys father invites his brothers family for a weekend at the shore, not knowing the place is already oversubscribed. With the carriage house booked; even the Holy Family couldnt get beds. Stinkys mother shuffles everyone to different rooms and doubles up couples, but trouble lurks when drowsy people return to the wrong bed. Is it asking too much to wake up with the same person you went to bed with? About Stinky Stories Stinky and Eddie appear in almost eighty comic short stories in the #1 bestselling Amazon series. Stinky is chatty and insouciant, and while Eddie may not say as much, when something needs to be done, hes already doing it. Theyre as close as Brooklyn and Queens and as unlikely to separate. Stinky doesnt go looking for trouble, but he cant hide from it. Its part of the best looking man on the planet package. He enjoys relaxing weekends at the family cottage, but with a crowd of relatives, its not always relaxing. He might run into a toxic college chum, an incompetent guru or suffer through a drunken teen party. Stinky and Eddie would like to live quietly, but lucky for us that never happens. Stinky and Eddie are supported by a collection of outrageous guest stars and an ever expanding cast of relatives. The stories are witty and literate and readers dont have to leave their brains in a jar to enjoy them. Whether its a flat-out farce, bedroom comedy, sexy romp, sly satire or screwball family intrigue, youre never far from a happy ending in every Stinky story. Isnt that what we really need these days?
