

Dragon Summons

Assigned as Inventory Master to the newest Sector Guard base on Teklan, Roxanne is sure only of one thing, if the seductive singing in her mind doesn't stop, she is going to go nuts. With a little investigation, she finds the source of the nocturnal music and tells it to shut up. Esur is a tad taken aback, after all, as a Draï sleeper, he is a full shifting dragon looking for a mate and Roxy is it. The sharp-tongued Terran won't drive him away, but he may need all of his powers of persuasion.
