

Evans Alphas: Book 2

Having decided to make omega rights activism his new career, Chad jumps in head first... though not everyone appreciates his efforts. *** Who is your alpha? Peter asks, walking closer. Chad takes an involuntary step back, Peters word infused with the full authority of his dominance. It feels like he cant breathe. You are, Chad says, forcing the words out. Peter grins, proud and possessive. And are you going to be good for your alpha? Peter grabs Chads chin, tilting his head up, squeezing Chads cheeks as they stand chest to chest. Chad tries to nod, too overcome to speak, but Peters hold on his chin prevents it. Yes, alpha, he says, the words coming out like a moan. Good boy. Chad closes his eyes, surrendering to Peters control. It feels amazing, like he can finally let go and relax. Peter will catch him no matter how hard he falls...
