

The Last of the Plainsmen; Classic American Western Novel (Illustrated)

The Last of the Plainsmen; Classic Western Adventure Story (Annotated and Illustrated) includes biography and photo gallery of Zane Grey. Amazon Review; Zane Grey pulled out all the stops on this tale of chasing wild mustangs, buffalo hunts, cougar hunts, and wild musk-ox. Follow the tale of a rag-tag band of plainsmen led by Col. Jones. A feisty, tough old man who will stop at nothing so he can rope (yes I said rope) a wild cougar and bring it back home. They are a breed of men whose resilience and spirit are the stuff of pioneers and mountain men. The kind of indomitable spirit that won the west, and is the subject of much of Americas folklore. Along the way they endure seventy degree below zero blizzards, desert dust storms, starving Indians, and a harsh, yet pristine wilderness of incredible beauty. Zane Grey s depiction of panoramic landscapes such as the Grand Canyon is picturesque. One can almost smell the forests and sense the loneliness of the wilderness. A great read that was hard to put down. Now for my next task which wont be easy. Picking out the next Zane Grey novel to get lost in.
