

## Tales of Three Hemispheres

TALES OF THREE HEMISPHERES with deep gratitude to those few, known to me or unknown, who have cared for either of my former books, *The Gods of Pegana*, *Time and the Gods*. Edward John Moreton Drax Plunkett, 18th Baron of Dunsany (24 July 1878–25 October 1957) was an Irish writer and dramatist, notable for his work, mostly in fantasy, published under the name Lord Dunsany. More than eighty books of his work were published, and his oeuvre includes many hundreds of published short stories, as well as successful plays, novels and essays. He is best known for his 1924 fantasy novel *The King of Elflands Daughter*. Born to the second-oldest title (created 1439) in the Irish peerage, Dunsany lived much of his life at what may be Ireland's longest-inhabited house, Dunsany Castle near Tara, worked with W. B. Yeats and Lady Gregory, received an honorary doctorate from Trinity College, Dublin, was chess and pistol-shooting champion of Ireland, and travelled and hunted extensively. He died in Dublin after an attack of appendicitis.
