

## Thawing Frozen Frogs

I nibbled a mother, But wanting something new  
I boiled a bit of Granny And tried some Uncle-stew.  
I did not eat the baby, That was out of the question.  
(And anyway they wriggle And cause indigestion.)  
Ever joined a Giants family dinner, kept a pet wig,  
thawed a frozen frog or snaffled a giraffe?  
Thawing Frozen Frogs is a brilliantly inventive collection from one of the UKs top performance poets, including a wide range of poems that showcase Brian Patten's wit, slapstick humour, wisdom and sensitivity - and his poetry's huge appeal to children of all ages. Perfect for reading at school or at home, out loud or by yourself. Illustrated with Chris Riddell's funny and illuminating line drawings.
