

The 39-Year-Old Virgin (Mills & Boon Cherish)

It was a big world out there But was ex-nun Claire Santaniello ready for it? Her yearning for a home and family had her shedding her habit and moving back to California. But her true calling definitely wasn't with sexy single dad Caleb McClain. Was it? The stunning redhead seemed uncomfortable in the crowded bar. She was also tantalizingly familiar. Caleb couldn't believe the girl he'd once loved was now a teacher in their hometown. Soon after he rescued her from the dance floor, Claire made it her mission to bring out his softer side, arousing feelings Caleb couldn't ignore. Was it finally time for them to create the future together they both craved?
