

The 7th Month (A Detective D.D. Warren Short Story)

Sunday Times bestseller Lisa Gardner's first novella, *THE 7TH MONTH*, takes readers into an eventful day in the life of Boston Detective D.D. Warren. Featuring an extract from *CATCH ME*. D.D. should be taking it easy in the seventh month of her pregnancy. Instead, she accepts a small consulting role on the set of a serial killer film, thinking that serving as a police expert and making a little extra money may make her feel more useful than she's felt for a while. A simple task, until a crew member is found beaten to death. Suddenly, D.D.'s date with Hollywood is serious. Extremely pregnant, on the trail of a killer and surrounded by a hundred and four murder suspects, D.D. must quickly unravel a tangled web of lies. As another cast member is attacked, D.D. realizes that like it or not, her priorities have changed - and her last desperate hope is that she can catch a killer before she and her unborn baby pay the ultimate price.
