

The Alpine Vengeance: An Emma Lord Mystery

BONUS: This edition contains an excerpt from Mary Daheim's *The Alpine Winter*. Nestled in the foothills of the Cascade Mountains, the charming hamlet of Alpine is preparing for Thanksgiving, while Emma Lord, editor and publisher of *The Alpine Advocate*, feels her spirits sink. There will be no family or friends to share the day, but a call from Sheriff Milo Dodge on the Monday after the holiday weekend leaves her no time to wallow. Three alarming letters, sent to the sheriff from an anonymous writer, assert that the murder conviction of Alpine resident Larry Petersen ten years earlier was the result of a wrongful arrest. Adding to the miscarriage of justice, Petersen recently died behind bars. Then a fourth letter arrives, threatening retribution in the form of another death—most likely Emma's or Milo's. Mary Daheim's Emma Lord novel is a rich and authentic blend of small-town life and chilling menace.
