*** Dear readers, Many of you complained about volume 12 of The Billionaires Desires, and you were right to do so. Heres what happened: my editor and I had a long discussion about whether Gabriel and Amandines story should end in volume 12 or if it should carry on. We eventually decided to let the curtain fall on your beloved characters and move on to new adventures. Unfortunately, the cliffhanger version of the story is the one that was made available online. Your frustrations were completely warranted! Were now happy to announce volume 13 of Mr. Diamonds adventures. This e-book also contains volume 12 with the correct ending, which is what you should have received from the get go. We deeply regret this mix up and ask you to please forgive our mistake. We hope youll enjoy this new ending! And to show you just how committed we are to our readers, were also including the first chapters of my new series, Dominated by a Billionaire Irresistible Billionaire. All my best dear readers,
