

## The Companion Guide to New York (n/e) (Companion Guides)

For more than thirty years Michael Leapman has been intimately involved with New York as a journalist, resident or frequent visitor. Here he takes readers with him on a series of walks through the heart of Manhattan and beyond, explaining how it came to be the world's most fabulous city, as well as revealing its present-day secrets. When the original edition of this incomparable guide was published in 1983, it won the Thomas Cook award as the guide book of the year. After he revised it in 1991 it was chosen by New York Magazine as the best of nearly a hundred books about the city. Now he has been back to retrace his steps. Thoroughly updated, this book is packed with inspiration, revelation, and sound practical advice.
