

Where the Dead Walk

The Amazon Best Seller. #1 Suspense/Occult, #1 Suspense/Ghosts, #2 Suspense/Paranormal, #25 Suspense as a whole. Listen to the first 10 minutes on Johns author page. For some, ghosts are no more than the wounds loved ones leave in their wake, haunting the living only with their absence. Others take a more literal view... Kate Bennett, presenter of paranormal investigation cable TV show, Where the Dead Walk, isn't sure what she believes, other than she seems cursed to lose all those closest to her. After investigating a neglected cliff-top house, empty for a decade because it's haunted, Kate is left convinced a spirit within holds the answers to a childhood she can't remember and an unimaginable crime. What she can't know is that the house's owner, Sebastian Dahl, is searching for something too, and he intends to get it, whatever the cost.
