

The Adventures of Deerslayer (Classic Reprint)

Stories of the American Indian and his surroundings will ever have a fascination for the American boy and girl. Cooper's Leather-Stocking Tales are brimful of the most absorbing and exciting adventures of the savages and pioneers of our country. As one of our first great American novelists, Cooper deserves a closer acquaintance and better understanding than is generally given him. In this volume an attempt has been made to adapt his Deerslayer to the reader's comprehension and interest of young readers. This has been accomplished by leaving out many lengthy descriptions, much moral discussion, and a great many details unnecessary to the main thread of the story. (Typographical errors above are due to OCR software and do not occur in the book.) About the Publisher: Forgotten Books is a publisher of historical writings, such as: Philosophy, Classics, Science, Religion, History, Folklore and Mythology. Forgotten Books Classic Reprint Series utilizes the latest technology to regenerate facsimiles of historically important writings. Careful attention has been made to accurately preserve the original format of each page whilst digitally enhancing the aged text. Read books online for free at www.forgottenbooks.org
