

## Dogs of War

From the novella collection Reflecting on Midnight- 4 novellas for only \$2.99

After divorcing his wife of two years, Gary Lettner thinks he has found the perfect house for himself and Molly, his eight-year-old daschund. But when the throats of the dead begin to cry out in a voice that only Molly can hear, and when evidence of past atrocities committed in his new home begin to surface, Gary finds himself an unlikely participant in a brutal quest for vengeance. Dogs of War is a 25,000 word novella, a tale of love, revenge and sacrifice unlike anything youve read before. Some crimes are too horrible to go unpunished, no matter the cost. Note: Dogs of War is included, along with I Never, King of the Merge and FotoShop of the Gods, in the collection Reflecting on Midnight. Purchased separately, the four novellas will cost \$4.96, while the single collection costs \$2.99.
