

The Fleet - Book Three - Breakthrough

The Fleet - Pledged to Protect Us All! World-crushing war rages between the human/alien Alliance and the predatory Khalians. Led by courageous pilots and marines from all corners of the galaxy, the Alliance Fleet retaliates with blinding force to reclaim conquered worlds, repel invading forces, and destroy enemy strongholds. But a ruthless Khalian counter-attack backed with new, more powerful weapons slows the Fleets advance to a mutually slaughterous stalemate. Only a decisive victory can break the deadlock. For the men and women of the Fleet, its now or never ...time to BREAK THROUGH ...time to DO OR DIE!
