

## The Flesh Cartel #14: Independence Day (The Flesh Cartel Season 1: Damnation)

Mat and Douglass time as Nikolais wards is finally drawing to a close. Though torn apart by Nikolais machinations, their fates are still inextricably entwined: they've been sold to the same cruel master, and are united in their desire to go home. But home means two different things to the brothers: for Mat, their little bungalow in Nevada, and for Douglas, a swift return to Nikolai and Roger, the only people he believes still love him. But first they must survive their new master. Smythe Hall is a twisted island paradise where Americans affect British accents and slaveboys dress up as slave girls, all at the whims of the rich and megalomaniacal Allen Smythe-Kennedy. Meanwhile, FBI Special Agent Nate Johnson can't let the case of the missing brothers lie. He knows it's a waste of resources to chase ghosts down a cold trail, but after admiring Mathias Stonewall Carmichael ringside and at countless afterparties where he was too shy to say hello, he's determined to solve the mystery and bring Mat and his little brother home.
