

## Tempt Me When the Sun Goes Down (Forged Bloodlines Book 9)

From Bestselling Paranormal Romance Author Lisa Olsen - Book 9 of the Forged Bloodlines Series There are times when you should respond to a crisis with dignity and a level head. This was not one of those times. Whether it stems from love or a sense of responsibility, Anja will do whatever it takes to break the curse and set Rob free, but the price might prove too high. Knowing the circumstances that led to Robs betrayal, Anja does her best to forgive him - but can she forget? And where does Bishops long lost Sire fit in? Bishops made no secret of the fact that he loves Anja, but will that love survive when Carys crooks her finger? Carys has spent her entire life being catered to and adored; what will she think of this newbie vamp whos taken her place at Jakobs side and in Bishops heart? Ancient curses and past betrayals aside, Anja just might find that the hardest obstacle to overcome is a green eyed monster.
