

The Girlfriends Guide to ...Pregnancy, ...Surviving the First Year of Motherhood, ...Toddlers, ...Getting Your Groove Back, ...Baby Gear (5 book set)

The Girlfriends Guide to Pregnancy: Your Girlfriends, of course -- at least, the ones who've been through the exhilaration and exhaustion, the agony and ecstasy of pregnancy. Four-time delivery room veteran Vicki Iovine, the Carrie Bradshaw of pregnancy (Wall Street Journal), talks to you the way only a best friend can -- in the book that will go the whole nine months for every mother-to-be. The Girlfriends Guide to Surviving the First Year of Motherhood: The author of the enormously successful Girlfriends Guide to Pregnancy brings a mother's wisdom and a girlfriends candor to the first book in a fresh new series of guides to motherhood. Readers will learn about baby euphoria, postpartum mood swings, salvaging one's sex life, and fitting into that favorite pair of jeans. The Girlfriends Guide to Toddlers: With a combined total of over 300,000 Girlfriends Guides in print, Vicki Iovine offers the kind of tongue-in-cheek humor and straight-from-the-hip advice that has made her one of today's most popular authorities on child rearing. Now she takes the next step in the Girlfriends series by helping mothers deal with that mysterious, baffling, often adorable and frequently alarming being their baby has become--a toddler. The Girlfriends Guide to Getting Your Groove Back: Fresh from the battles of baby- and toddler-hood, Vicki Iovine shows moms how to navigate the twists and turns of perpetual parenthood and find time for their kids, their spouses, their homes, their work, and themselves. The Girlfriends Guide to Baby Gear: Vicki Iovine and her passel of friends tell mothers-to-be when to skimp and when to splurge, and which hand-me-downs are safe and which are sorry.
