

Holiday by Design (Mills & Boon Cherish) (The Hunt for Cinderella, Book 9)

Joanna Spinelli was determined to make her design dreams finally happen. Getting a show at Marcus Barlows art gallery was key. Sure, the straight-laced businessman might be just a little too sedate for her taste. But just one look and she could feel herself melt like chocolate. She was like a fresh breeze to his all work, no play life. And though Marcus appreciated her carefree lifestyle, he knew Joanna would have to change to fit into his world. Yet by asking her to become someone she was not, would Marcus lose the things he cherished in her the most? Or would he finally learn to loosen his tie and open his heart?
