

## The Husband She Never Knew (The Power Of Redemption)

What he wants, he takes! Cruelly discarded on her wedding night, Noelle Ducasse buries the shame of being an untouched bride, creating a new, glamorous life to mask the relentless ache of loneliness. Until Ammar returns, the image of Noelle's guileless eyes lingers with Ammar still. Noelle can refuse him all she likes, but this time the ruthless Ammar will not be denied. He'll spend each moment of each night proving that no matter how much her mind denies it, she will melt under her husband's exquisite touch.
