

## The Hyde Park Headsman: A Charlotte and Thomas Pitt Novel

Not since the bloody deeds of Jack the Ripper have Londoners felt such terror as that aroused by the gruesome beheadings in Hyde Park. And if newly promoted Police Superintendent Thomas Pitt does not quickly apprehend the perpetrator, he is likely to lose his own head, professionally speaking. Yet even with the help of Charlotte Pitts subtle investigation, the sinister violence continues unchecked. And in a shocking turn of events that nearly convinces the pair of sleuths that they have met their match, the case proves to be Pitts toughest ever.
