

The Mammoth Book of New Terror: All new edition

Over 20 terrifying stories and short novels by the masters of gore, including Graham Masterton, Ramsay Campbell, R. Chetwyn-Hayes and Neil Gaiman. This sequel to the classic Mammoth horror anthology features five new and unpublished stories from some of the biggest and brightest names on both sides of the Atlantic, as well as gems from acknowledged masters. All veins of the genre are represented including suspense, visceral horror and sheer razor-slashing terror. From Brian Lumley's disturbing *Fruiting Bodies* and Basil Coppers' *The Candle in the Skull* to Christopher Fowler's *Turbo-Satan* and Kim Newman's *Amerikanski Bed at the Moscow Morgue*, this is a spine-chilling collection guaranteed to make the hair stand up on the back of your neck!
