

## The Disintegration Machine and Other Stories

Challenger had the courage of a lion, and anything in the nature of a defiance roused him in an instant to a frenzy. He rushed at the machine, but I seized his arm and held him back. An incredible piece of science-fiction that narrates the story of a man who declares to have created a weapon that can destroy the entire planet. It grips the reader's imagination till the end with its remarkable fictitious mysteries and discoveries.
