

The Newgate Witch: (A Short Story)

This is truly horrific ghost story. It will stay with you long after you have read it. The young boy was just four years old when he was first visited by the long dead Newgate Witch. He was an innocent who did nothing to deserve what she had planned for him. Possessed for eternity, joined as one with her. Doomed to exist forever as an undead spirit. Great nightmare stuff. Well structured and a good play on our fear of the hidden. ABC Tales.
