

Murder on the Night Shift

Television reporter Ellie Schimmel, alone on the night shift when the report of a dead body comes in over the police scanner, is the first journalist to the scene. Livid bruises on the victims neck suggest murder. This is just the sort of story shes been waiting to cover. If she can convince her boss to let her stay on it and do a good job, maybe shell get promoted to the day shift. Ellie sets to work doing her own investigating and making contacts in the police department. But, working two shifts and keeping up with a secret side job isnt easy. As the evidence mounts, theres another murder.
