

The Novels, Tales and Sketches, Vol. 2 (Classic Reprint)

Man s Single was first published VV from week to week in the British Weekly ;it began to appear there before more than two chapters of it were written; soon I was only one chapter ahead, and after that, I think, I never in creased the distance between us though I could feel its breath on my neck. This perhaps accounts for the curiously inappropriate title; until he was married (from which point I cannot answer for him) Rob Angus never lived at his ease. I expect that when I started Rob I meant him to have a less strenuous time, but he fell in love, and once they fall in love there is no saying what your heroes will do. By that time the book was christened and had got used to its name. Titles, however, are a small matter; the chief objection to this form of publication is that it prevents the spontaneous development of your tale.(Typographical errors above are due to OCR software and dont occur in the book.)About the Publisher Forgotten Books is a publisher of historical writings, such as: Philosophy, Classics, Science, Religion, History, Folklore and Mythology.Forgotten Books Classic Reprint Series utilizes the latest technology to regenerate facsimiles of historically important writings. Careful attention has been made to accurately preserve the original format of each page whilst digitally enhancing the aged text. Read books online for free at www.forgottenbooks.org
