Her old childhood friend, Raoul, hears her sing and recalls his love for Christine. At this time, there are rumors of a phantom living at the Opera and he makes himself known to the managers through letters and malevolent acts. Some time after the gala, the Paris Opera performs Faust, with the prima donna Carlotta playing the lead, against the Phantoms wishes. During the performance, Carlotta loses her voice and the grand chandelier plummets into the audience. And the Story Continues...
