

The Rainbow Trail: An American Western Classic!

An American Western Classic! Fleeing persecution, Fay Larkin is held prisoner in a hidden canyon near a Mormon village. Trespassers thru the Mormon town face a gory death, but Fays husband-to-be, John Shefford, will stop at nothing to get her back. Encountering villainous characters and rough terrain, he goes up against the odds without even a gun! But to reach it, Shefford has to go through a Mormon village, where trespassing means death, and confront a treacherous outlaw who blocks the way. These are not todays Mormons! Zane Grey was the best-selling author of over 85 books & sold well over 100 million copies worldwide. Most of these books drew upon the American Old West and are acknowledged as some of the best Western adventure novels ever written. He has inspired 111 movies, radio & television, magazines, and more. No one author has done more to almost single-handedly create the Myth of the West. Add this exciting American classic to your Western library today!
