

The S Before Ex (Mills & Boon Modern Heat) (Mills & Boon RIVA)

The only man with the X-Factor! There's one thing even the tabloid hounds haven't managed to dig up about celebrity Ryan Brady: he is married! He may be one of America's most desirable men, but his secret wife has just filed for divorce. Since their separation six years ago, Claire has turned her life upside down: new business, new friends, new Claire. But when she sees Ryan to hash out a settlement, her body tells her one thing hasn't changed: he's still the only man who really does it for her. With all other guys guaranteed to be totally meh, she's in last-chance saloon: it's either an X-rated fling with her ex or straight to chastitybelts.com!
