

The Saint on TV (The Saint Series)

Two adventures based on episodes from The Saint with Roger Moore: In the first, Simon Templar is gassed by a toy soldier, shot with an arrow, mowed down with a sub-machine gun, and blown up by a plastic bomb hidden in a light fixture. The Saint has become an unwilling participant in The Death Game. In the second tale, having discovered who was behind The Death Game, the Saint discovers a blackmailer of evil distinction who just wont give up.
