

The Sarah Roberts Series Vol. 4-6

Books Four, Five, and Six of the Sarah Roberts Series in One Collection. The Hostage (Sarah Roberts Book Four) Meet Elmore Ackerman. He idolizes Sarah Roberts from afar, and has done so for more than five years. He has studied her pictures, memorized her news clippings and now waits in the dark for the day when he can make Sarah his hostage. A steel cage waits for Sarah, where Elmore has practiced what he will do to her. The other girls he has practiced with now lay discarded, buried about his property. He keeps their fingernails and toenails to roll between his teeth, to savor their strength, to feel the nails weaken and give in, just as his victims do. Elmore has a plan for Sarah, and she walks right into his trap. Sarah Roberts is his hostage and no one knows where they are. In Sarah Roberts Book Four, The Hostage, Sarah is in a fight not just for her freedom, but also her life. The Victim (Sarah Roberts Book Five) In Book Five, Sarah Roberts is The Victim. Sarah is killed in a horrible car accident, the DNA found in the car verified as hers. But the government men at the Sophia Project have faked her death to keep her to themselves. After her funeral, she shows up in the food court of a busy mall where a violent exchange takes place. Things go wrong fast. The people protecting Sarah die within seconds from a mysterious drug. She runs, escaping the clutches of the police who want to figure out her connection to the murderers. A group of men called The Rapturites surface to take responsibility for the carnage. They want Sarah raptured as the end times are upon us. As the police hunt her, and the Rapturites get close, people she loves, old friends who have helped her in the past, start to die around her. Vivian, her sister, watches. Vivian listens. Sarah executes. In Sarah Roberts Book Five, Sarah is The Victim, and there's nothing she can do about it. Except she won't stay dead. The

Enigma (Sarah Roberts Book Six) In Book Six, The Enigma, Sarah Roberts heads to Las Vegas, Nevada. Her dead sister has left her a message with two tasks to complete in Vegas. She is supposed to choose a random guy with a cell phone and send a message to a number her sister has supplied. Before she can complete this first task, she notices a man following her. This man begs her, with tears in his eyes, to not send the text. On the west side of Vegas, a man is being tortured. Sarah's second task is to arrive at a certain time to stop it. When she shows up late, people start to die. The man who had followed her also shows up. With people dead at the warehouse, the police want to know what she's doing in Vegas and why she was there. All Sarah wants is to get her bike and leave Las Vegas. But Maxwell Ramsey has a different plan for Sarah. She has entered his territory and intervened in his business. She has cost him money and time as he plans the acquisition of a local casino. For that, Sarah has to be removed. What she doesn't expect are the deep ties to her family and what that means to her now, and in the future. In Book Six, The Enigma, Sarah Roberts is in Vegas gambling with her life and can only make it out alive if she plays her cards right.
