

## The Sons of Adam

Two brothers, a savage quarrel - and the race to find oil Alan Montague and Tom Creeley are brought up like brothers, but Alan is heir to the great estate of Whitcombe House, while Tom is merely the gardeners son. Best of friends, in the trenches of the First World War, the two men quarrel and are separated. Best friends, now bitter enemies The two men survive the war, and their thoughts turn to their childhood passion: the quest for oil. Alan seeks it in the wild mountains of the Persian Zagros. Tom emigrates to America and searches in the hills of California, the scrub of East Texas. Fortune, failure - and a final meeting As the years pass, both men meet success or failure. And when another war dawns, the Allied forces face the greatest logistical challenge in the history of warfare - and after almost three decades apart, the two men must finally meet again. Stunning. A fantastic, epic, gripping story. In the bestselling tradition of Jeffrey Archer or Ken Follett, The Sons of Adam will lock you to your seat and hold you until the very last page. About the authors Harry and Nuala are a husband-and-wife team who collaborated closely in writing this book. It is being republished now in celebration of their twentieth wedding anniversary. Praise for other books by Harry Bingham Breathtaking Seattle Times Riveting Library Journal Terrific Boston Globe Fresh and compelling New York Daily News Superb Publishers Weekly
