

The Suburban Vendetta (The Suburban Trilogy Book 3)

In this explosive finale to the First Suburban Trilogy - Revenge is the name of the game. Hiding within the steamy jungles of South America is a man with a deadly agenda. For five long years, Satanist Jeremy Salander has waited for the right moment to strike out and wreak his revenge on Detective Sergeant Adam Kent, who he believes murdered his only son. Jeremy returns to Sussex, armed with a twisted plot involving blackmail, murder and human trafficking, along with a desire to bring down anyone who has crossed him in the past. Those who thought theyd seen the last of him, are about to encounter the full force of his wrath. Gradually Jeremys plan is unleashed and begins to touch the lives of the innocent, spreading fear and unease throughout the County. However, when shocking secrets about Adams family are finally disclosed, this sends him headlong into Jeremys deadly lair. Completely oblivious to the extreme danger her husband is facing, Rosemary anxiously awaits his safe return as she now knows the undeniable truth about their son Luke that they were always too afraid to face.
