

## Riding the Snake

A Beverly Hills golden boy whose glow is fading, Wheeler Cassidy, an aimless, hard-drinking womanizer, is partying toward dissipation. But after his brothers mysterious death, Wheeler embarks on a perilous journey to find himself and the Chinese gangsters who murdered the only member of his family he ever really loved. Along the way, he teams up with Tanisha Williams, a beautiful African-American detective raised in Watts and now assigned to the L.A.P.D. Asian Crimes Task Force. The two make an unlikely pair, but together they face the violence and corruption that stretches from Hong Kongs notorious criminal Triad to the highest reaches of the American government. Its an international conspiracy of huge proportions that will take Wheeler and Tanisha halfway around the world and into the most dangerous adventure of their lives...
