

# The Turn of the Screw and Other Stories

Like the other tales collected here - 'Sir Edmund Orme, 'Owen Wingrave, and 'The Friends of the Friends - 'The Turn of the Screw is to all immediate appearances a ghost story. But are the appearances what they seem? Is what appears to the governess a ghost or a hallucination? Who else sees what she sees? The reader may wonder whether the children are victims of corruption from beyond the grave, or victims of the governess 'infernal imagination, which torments but also entrals her?
