

The Works of Robert Louis Stevenson, Vol. 9 (Classic Reprint)

Mr. Henley were engaged in writing plays in Bournemouth they made a number of titles, hoping to use them in the future. Dramatic composition was not what my husband preferred, but the torrent of Mr. Henley enthusiasm swept him off his feet. However, after several plays had been finished, and his health seriously impaired by his endeavours to keep up with Mr. Henley, play writing was abandoned forever, and my husband returned to his legitimate vocation. Having added one of the titles, *The Hanging Judge*, to the list of projected plays, now thrown aside, and emboldened by my husbands offer to give me any help needed, I concluded to try and write it myself.
