

## The Works of William Shakespeare, Vol. 1 (Classic Reprint)

This is particularly true of a new edition of Shakespeare's works, which, in its main purpose, only professes to be a better presentation of that which has been presented tolerably well before. Therefore these words of preliminary explanation. The first object sought in the preparation of this edition has been a text as nearly pure as possible, and the reduction of the field of doubt and conjecture in all directions to the narrowest attainable limits; the second, and last, to place the reader as nearly as possible in the position of those for whom these plays were written, and to give a Unaccessible information concerning their origin, and the circumstances under which, and the manner in which, they were produced. The vicissitudes through which the text has passed, and the time which has elapsed since it was written, make the performance of these offices necessary. (Typographical errors above are due to OCR software and do not occur in the book.) About the Publisher Forgotten Books is a publisher of historical writings, such as: Philosophy, Classics, Science, Religion, History, Folklore and Mythology. Forgotten Books Classic Reprint Series utilizes the latest technology to regenerate facsimiles of historically important writings.
