

A Morbid Initiation (Vampire: Victorian Age, Book 1)

Regina Blake believes her mother to be the victim of murder and conspiracy. Forgoing caution and propriety, she tries to uncover the truth and bring the culprits to justice. With every step, however, she uncovers more and more evidence of a secret world of danger, sensuality and sin. With the beautiful Victoria Ash as her guide, she peels back layer after layer of this benighted world, until the true horror of it all stands exposed. Will discovering the truth be worth damning her soul?
