

## The Black Church

When Daniel Ivanov's father dies in a freak accident, he inherits all his worldly possessions, including a hand-woven Anatolian prayer rug whose bright colors and elaborate designs have been flawlessly preserved over the past 600 years. But the young lawyer soon learns the ageless tapestry is much more than it seems when he begins to see the terror-stricken faces of his loved ones within its intricate patterns. And he is suddenly plagued by vivid dreams and dark visions of a mysterious Black Church standing amid mist-shrouded mountains. As his life unravels around him, Daniel descends into a pit of madness and terror, driven by an ancient curse that threatens to destroy everything and everyone he loves, unless he can uncover its terrible secret.
