

Triple Play (Homeruns) (Volume 3)

Drew Jackson seemed to have it all. He has a family who loves and supports him, a tight circle of friends, and is a rising star with the Milwaukee Mavericks. Then, it all begins to unravel. Cam, the only man hes ever loved, falls head over heels for Drews teammate. He makes a critical mistake in the playoffs that hes not sure hell be able to recover from. And then, his world really crashes around him Eric Sapp may no longer play for the Mavericks, but hes still one of the guys. No one could have imagined how much his life would change when he agreed to help his former teammates mourn the end of their run for the pennant. After stopping a brutal attack, Eric is forced to face the feelings thatve been growing for his roommate, Drew. Thatd be much easier if Drew wasnt hell-bent on pushing everyone away as he recovers. Neither of them were counting on Bryce Shaw. He and Drew enjoyed the one night they spent together, but knew it was unlikely theyd be anything more since they lived in different parts of the country. After Bryce is relocated to help a failing LGBT homeless outreach, he wants to explore something more with the Mavericks short stop. As much as Eric wishes he could be the one to help his friend, he knows Bryce holds the key to Drews recovery. Will pushing the two back together be the biggest mistake of his life or will they all learn there is strength in numbers?
