

Inferno: A New Verse Translation (New Verse Translation by Michael Palma) (Vol 1)

Palmas wonderfully readable translation comes close to perfection. Im tempted to call it a miracle. X. J. Kennedy Unlike every known translator before him, Michael Palma re-creates Dantes masterpiece in all its dimensions, without emphasizing some aspects over others, rendering Inferno into contemporary American English while maintaining Dantes original triple rhyme scheme. The result is a translation that can be appreciated for its literal faithfulness and beautiful poetic form, accompanied by facing-page Italian and explanatory notes. A superb translation; highly recommended. Library Journal I find Michael Palmas Inferno to be one that Im having a hard time improving. Lawrence Ferlinghetti I think highly of Michael Palmas Inferno....Readers will find it admirably clear and readable. Richard Wilbur
