

Under Cover of Darkness

An intense tale of success and betrayal, *Under Cover of Darkness* is a frightening look into the darker side of the human psyche. Gus Wheatley is the youngest lawyer ever to grab the helm of Seattle's most prominent law firm. Nothing can interfere with his meteoric rise to the top, until his wife, Beth, vanishes. Her disappearance comes just as FBI profilers are called in to examine a bizarre and emerging pattern of brutal serial murders that rocks Seattle: first two men killed, then two women. The victims are unrelated, yet within each pairing, the one killing mirrors the other in chilling detail. But this is just the beginning of the nightmare for Gus. Seattle police fashion a theory that leaves two horrifying possibilities: either Beth is the killer's latest victim or she is his willing accomplice. As Gus begins to unravel the truth about the woman he thought he knew, he fears that for him and his family evil is far too close to home.
