

Undertow: Deaths Twilight (The Maura DeLuca Trilogy Book 2)

2015 Readers Favorite Honorable Mention for YA Horror Maura finally found the truth she was always seeking or has she? After being left in the dark for all of her life, Maura's father, Maxwell, has finally returned to reveal sinister family secrets Maura could never have dreamed possible including his revelation that she is one of The Born. But his daughter soon discovers both he and her mother are keeping pieces of her reality hidden, still. As Maura struggles to unravel the mysteries surrounding her new existence and discover every piece of the cryptic puzzle, life appears intent on casting stumbling blocks across her path with every step forward. Tragedy seems to stalk Maura, and those around her, as she stumbles along, altering the young changelings family, just when they have all come back together. The changes left in its wake could be for the better, or may threaten their existence, entirely. With the arrival of Christmas comes the opportunity for Maura to draw close to everyone she loves and finally reunite with Ron, the man she loves. But permanence has always eluded her, and in her current state of flux this pattern endures, as fate seems intent on snapping the threads that bind her to those she holds most dear. Maxwell's good intentions pave a road for Maura, littered with misery, while her mother, Caelyn's, desire to shield her family from pain may tear her away from them, altogether. The perfect happiness in the young vampires grasp is so easily swept away and dragged under, out of reach. Can Maura erupt from the darkness and confusion to break the surface and find the life she's always dreamed of? In the midst of chaos, assistance materializes in the form of another of her kind, ephemeral, beautiful, yet explosively volatile, this new vampire may prove capable of unlocking the puzzle-box Maxwell seems intent on securing from her sight. Maura will

discover the darkest parts of herself in her quest to understand the being she is destined to become. Her newfound friend has some shady intentions of his own such as thwarting the love that has grown between Maura and Ron. Following in the wake of the impulsive vampires misguided instruction may further pull a naive Maura down into the depths of ultimate despair, heartbreak and even destruction.

>>>>>Undertow: Deaths Twilight is the second book in the Maura DeLuca trilogy and the sequel to Rising Tide: Dark Innocence. But the book can be read as a stand alone. In this dark, urban fantasy, readers will discover a world full of unique vampires, troubled romance and a splash of blood devoid of werewolves. You'll encounter elves and fae, vampire fae, creatures that are faerie born and of faerie blood--even a few born of angel blood. The rollercoaster that is Maura's vampire awakenings continues in this YA, paranormal novel that is one of the classic vampire mystery thrillers. Reminiscent of the classic Fairy Tale, the characters introduced in this series are at the other end of the spectrum from the vampire found in the age of Bram Stoker and his famous Dracula. Although there are ties to the myths created by Stoker and his timeless novel, the Maura DeLuca story possesses a sprinkle of magic, coupled with monsters that in most cases retain the majority of their humanity.
