

Unholy Angels

Liz Janssens marriage was over long before she filed for divorce. There was no way her soon-to-be ex-husband committed suicide because of her. Yet that is what her teenage son Will believes. Others in the small West Virginia town share this thinking. Others who are disciples of a homicidal Satanic cult her husband was part of. The disciples want vengeance for the death of one of their own and will use Lizz's troubled, grief-stricken son as an instrument for their revenge. To save herself and Will, Liz must stop them - and she must do so without Doug finding out. Doug McBride is the new town sheriff, the man Liz has fallen in love with, and the man she cannot trust.
