

## NEGIMA! 10

TIME AGAIN The sprawling, activity-packed, three-day Mahora Academy Festival is underway. Overwhelmed and exhausted by his schedule, Negi falls asleep and almost loses an entire day. But thanks to Chao Lingshens amazing, pocket-size invention, Negi suddenly has time to spare! So Negi goes on a date with Nodoka, patrols the dangerous areas surrounding the legendary World Tree, becomes accidentally possessed by strange magic, inspires a heart-to-heart with usually secretive students, and prepares to compete in a martial-arts tournament against opponents who are more formidable than he ever imagined. Will there be anything left to do for days two and three? This volume of Negima! includes special extras after the story!
