

Annika

Annika is a novel of supernatural horror from Eric Weule, author of *The Thoughtful Spot* and *The Interview*. Alex Highland is a loving father, successful businessman, and more often than not, a lousy husband. Alex is convinced the days of his marital transgressions are behind him. Then he meets Annika, a beautiful young woman in need of a helping hand, and Alex doesn't hesitate to assist in any way he can. What begins as a simple trip to the beach quickly becomes a nightmare that Alex is helpless to stop. Annika is not what she seems, and she has a message for Alex: The Hunter is coming . . .
