

Virgin Mistress, Scandalous Love-Child

In the seductive heat of Rio during its Carnival, Ellie succumbs to her dangerously charismatic boss, Diogo Serrador. But, having taken her virginity, the Brazilian billionaire wants nothing more to do with her until he discovers she's pregnant! Diogo will accept nothing less than taking Ellie as his bride. Their marriage is passionate by night, but tense and empty by day. Ellie realizes that she's in an impossible situation: Diogo's dark past has frozen his heart, but she's fallen in love with her husband.
