

Wednesday Riders (Island Trilogy Book 2)

The island. Meg cant wait to get back. Shes excited to see her new mare kick up her heels in Salems old paddock. Shes impatient to run on country roads between breeze-blown hayfields. Mostly, Meg longs to be back with Jared again. Its going to be the perfect summer. But can real life live up to Megs huge expectations?

When Jared makes a heart-wrenching confession, Meg has to re-evaluate everything. If perfection is not possible, can Meg find a way to build happiness for herself? Fans of Appaloosa Summer will welcome the return to familiar places and characters, with the chance to be captivated by more of the beauty, romance, and dreaminess of Megs summer island life.
