

Moving On Unabridged Compact Disc

A sequel to THE KID, where Kevin Lewis takes us through his journey of writing the novel, securing the book deal with Penguin and facing the enormous press interest. He also takes us through the reactions of his various family members, most importantly his parents, Gloria and Dennis both of whom he has meetings in the book. He tells us of the reactions from family, friends, from teachers and foster parents who tried to help him in the past, and who have made contact after reading the book. And he also touches on his concerns about the welfare system even now, as the 5 children of one of his sisters are taken into care and almost handed straight into the arms of Gloria. And lastly, he touches on his plans and hopes for the future his ambitions to move on from his terrible beginnings and really make something of his life.
